The ANDOVER TOWNSMAN

VOLUME 65 NUMBER 1

ANDOVER, MASSACHUSETTS, OCTOBER 25, 1951

PRICE 5 CENTS

Here are members of the Robins group of Littlest Listeners who meet in the children's room at the library to hear Miss Margaret Lane tell fascinating stories of the ever-famous Mother Goose characters and other glowing adventures in children's literature. Just look at their expressions and see what keen attention they are giving to the story of "Goldilocks and the Three Bears."

Contributes \$50 To Chest Fund

The Andover council of churches voted Sunday to contribute \$50 from the reserve fund to this year's community chest.

The council strongly endorses the chest appeal and the work of the agencies represented and urges all Andover people to contribute generously.

Ballardvale Seeks Police Protection For Children

301 Pints Of Blood Collected Here

Another in the unbroken line of successful visits of the Red Cross bloodmobile to Andover was achieved earlier this month. During the three-day visit, Oct. 8, 9, and 10, a total of 301 useable pints of blood was collected, to be used for shipment to Korea and for civilian needs at home.

This understanding response to the urgent Red Cross appeals for

Residents of Ballardvale have joined with those of West Parish in asking police protection in their district for school children during the hours they go to and from school.

A delegation from Ballardvale met with the selectmen Monday night and discussed the situation with the board after which it was announced that the selectmen would study the problem along with that of West Andover.

The selectmen also announced that next Monday night they would invite the police chief and fire chief to meet with them to further consider the problem in both communities.

In the Vale delegation were James Butler, chairman, Mrs. Samuel Mucci, Mrs. John Townsend,

Community Chest Campaign Opens

Solicitors for the community chest campaign started their house to house canvass this week to raise Andover's quota of \$18,979.

The drive opened officially Monday night at a kick-off dinner held in St. Mary's auditorium which was attended by officials and volunteer workers assisting the Red Feather agencies served by the chest in the Greater Lawrence area.

Big Parade And Parties Planned For Hallowe'en

Miss Dobbie Principal Of New School

Miss Isabelle M. Dobbie was unanimously elected principal of the West Center school at a special meeting of the school committee Tuesday night.

A member of the Andover school faculty for the past five years and at present a teacher in the West Center school she will become head of the new school which is expected to be completed next spring.

Miss Dobbie, who holds a B.S. degree in education from Lowell Teachers college, was one of four candidates for the position.

The other candidates were Miss Beatrice L. Stevens, head of the English department at Punchard and a teacher in Andover for 15 years; Miss Vera Thurston, teacher at the Shawsheen school who has been in the school faculty for 25 years; and Miss Louise Sherman, teacher at the Bradlee school and a member of the school faculty for 12 years who has just returned after teaching a year in Japan.

All members were present and interviewed the candidates in executive session shortly after the meeting opened.

U. N. Flag Display Draws Protests

The flag of the United Nations was flying alone from the flag staff at the Memorial Hall library Wednesday, Oct. 24, United Nations day while local patriotic and veterans' organizations protested.

Last year the United Nations flag flew alone from the staff of the town house and various protests were lodged at that time. It was not on display there yesterday.

It is understood that United Nations etiquette allows that flag to fly alone on United Nations day. Protests against supplanting the American flag by that of the United Nations have been made this week by the Disabled American Veterans, the Daughters of the Revolution, the two posts of the American Legion and the Veterans of Foreign Wars.

They have carried the matter to the library trustees and leaders of

Suspend Liquor License 10 Days

The license of Fred's Lunch Inc., George White manager, has been suspended by the board of selectmen for a period of 10 days, Oct. 25 to Nov. 3.

This action was taken, according to the notice served Wednesday, on account of the court conviction in connection with the selling of liquor to minors.

In superior court last week George J. Milne of Cuba st., a bartender at the Essex street tavern, was found guilty on two counts of violation of the alcoholic beverage law by the sale of liquor to minors and fined \$25 on each count.

All indications point to a real gala and glorious Hallowe'en celebration here next Wednesday night.

Children of all ages are preparing for the parade at 6.30 p.m. which will open the evening's festivities. Costumes of all sorts are being made ready for the witches and fairies, the ghosts and clowns, and all sorts of other masked characters that will be roaming through the town on that occasion.

They will all be in line to march behind those members of the all-girls band of Punchard who volunteer their services for the evening.

And while they are marching between the great throngs of spectators who will be on hand to view the parade they will be observed by a group of judges headed by Trial Justice Richard K. Gordon, who will be picking out the best, the funniest and most original costumes for the award of prizes. In the interests for safety to the youngsters in line the committee has ruled that no automobiles will be allowed in the parade this year.

Defer Increase In Bus Fares

The rates and changes in fares on the Eastern Massachusetts Street railway have been suspended until Sept. 11, 1952, according to a notice from the state department of public utilities just received by the board of selectmen.

Originally ordered to become effective Nov. 11, this year, the increase has been held up and a public hearing on the proposed changes will be held in Boston Nov. 26 and 27.

Meanwhile, the board of selectmen had voiced its opinion about the question of bus fares. A joint statement issued by the board said:

The question of bus fares is a complicated one, and a solution must be more than an emotional one. We are agreed that 15¢ is a high charge for a 20 minute ride from Andover to Lawrence. We sincerely believe that any increase in fares will be offset by decreased patronage. The present bus riders, particularly at those times of day

How many pies can be made from this giant squash is the
question before Judy and Tommy Doucette, children of Mr. and
Mrs. Arthur Doucette of Boston rd., as they examine this hand-
some blue Hubbard grown in their father's garden. Weighing 62
pounds the squash measures 44 inches in circumference and is
32 inches long. Through Cong. Thomas J. Lane the seeds of
this squash will be given to the U.S. department of agriculture.

Copy Of Old Townsman Contains Interesting Items

A copy of the Andover Townsman
dated April 11, 1890 has been pre-
sented to P. LeRoy Wilson at the
Andover News and its yellowed
pages make interesting reading.

The offices then were 36 and 38
Main st., and it was published
every Friday by the Andover Press,
John N. Cole, manager.

Here are some of the items it
contained:

The water commissioners demon-
strated the value of the waterworks
for fire purposes in Elm sq. The
firemen laid hose and attached
nine lengths of 100 feet each from
four hydrants and got nine good
fire streams being thrown at once.

The Bank building, one of the
most handsome and valuable struc-
tures to adorn the streets of And-
over, is opened and becomes the
home of the leading financial con-
cerns of the town (the National
bank and the Savings bank) and al-
so for several professional men.

The third biennial dinner of
Phillips academy held in Boston.
Among those at the head table were
Dr. C. F. P. Bancroft, principal;
the Rt. Rev. Thomas M. Clark of
Rhode Island, the Rev. Dr. Phil-
lips Brooks, representing the Phil-
lips family, and the Hon. George O.
Shattuck ex-president of the alumni
association.

Carpenters in Chicago are on
strike for eight hours work per day
and wages for 40 cents an hour.
Ice dealers have decided to
charge their customers 50 cents
per 100 pounds.

Boxes of shoes recently shipped
to Michigan from Georgetown,
Mass., contained enough dynamite
to have blown up a whole block if
exploded.

The insurance company is get-
ting installed in its new quarters
in the Bank building.

The open horse-cars made their
first appearance in North Andover
this season on Fast day.

Selectmen of North Andover
offer \$100 reward for information
leading to the arrest of persons
who destroyed shade trees on Main
street. Two other citizens offer re-
wards of \$25 each.

Andover firemen entertained the
Franklin Hook and Ladder company
from Lawrence with sumptuous
meal, a after which sociability reigned
until about midnight when the
barge departed for Lawrence amid
the cheers of the companies.

Horse and ox shoeing advertized
by two blacksmiths.

Skeet Shooting Originated Here

This year is the 25th anniversary of Skeet, according to "Hunting and Fishing" magazine, which has an article by Bob Chancell telling how this sport had its beginning here in Andover when three local shooters wanted a game that would give them shooting practice at the same angles they might encounter in the field.

One of the three shooters was William Harnden Foster of Chestnut st., whose death at age of 55 occurred just 10 years ago next month. A nationally known writer and illustrator of sporting subjects he collapsed while attending field trials at Scotland, Conn.

At the time of his death he was the retired editor of "Hunting and Fishing" and "National Sportsman" magazines. A pioneer skeet shooting in this country had at one time conducted a skeet department in "Outdoor Life."

The word skeet, "Hunting and Fishing" says was suggested by Mrs. A. E. Hurlburt of Haverhill, Mont., when the public was invited to name the game. It is an old Scandinavian form of the word "shoot."

LEGION TO ASSIST

Members of the Legion post are asked to turn out in uniform at 10 and High streets next Wednesday night to assist the Halloween committee in handling the parade.

All Hallows Eve

Another community observance of Hallowe'en is in the making to provide a program of fun and entertainment for all the children of the town next Wednesday night.

Hallowe'en is the night for the appearance of Hobgoblins on the streets, for the grotesque figures with jack-o-lanterns, for the bobbing for apples, for fun and frolic. It is the night when juvenile energies are looking for some outlet. Too many times in the past such energies have led to mischief and the destruction of property.

To direct these energies into some wholesome fun and to provide entertainment without damage to private property the community Hallowe'en party was started in Andover two years ago. It was an immediate success. A year later it was one of the biggest events in the town.

This year under the sponsorship of the Andover Recreation committee and several cooperating organizations the Hallowe'en party is going to be bigger and better than ever.

A big parade in the early evening will give the juvenile populace their chance to don mask and costume for a gay and colorful street pageant where they can perform antics in keeping with their assumed characters before an appreciative assemblage of spectators.

The parade will move up Main street and end at the Memorial auditorium. Here the children of Indian Ridge and Ballardvale will board busses to return to their own districts where parties have been arranged for them. The central and Shawsheen groups will stay at the auditorium for more high jinks.

Prizes will be awarded for various types of costumes seen in the parade. Programs for the younger children will end so that they can leave at 9 o'clock, after which there will be dancing for the older groups.

The organizers of the Hallowe'en parties are doing the town a distinct service which deserves the support of the whole community. They will show the youngsters that All Hallows eve can be observed without doing damage to the property of others.

Parents can help by passing word on to their Young Hopefuls that the parties are being held for them, that all are welcome, and a good time is assured for those who attend.

HERE'S TO YOUR HEALTH

OVERWEIGHT

Overweight American adults are carrying at least 500 million pounds of fat. This figure is based on estimates that about 25 million of us are overweight an average of 20 pounds per person.

These calculations come from the Metropolitan Life Insurance Company, announcing a major drive to persuade overweight people to drop poundage through intelligent dieting under medical supervision. The campaign is actively supported by the American Medical Association and the United States Public Health Service.

The half-billion pounds of overweight is equal in weight to an army of 10 million 50 pound children. Just as carrying a tired child can be a burden, so can excess weight. Overweight puts a strain on the heart. It is closely associated with increased sickness and death from heart disease, diabetes, arthritis, high blood pressure, and gallbladder disease.

PUNCHARD HIGH

By JANET THOMPSON

Community Chest

The Rev. A. Graham Baldwin, chaplain at Phillips academy, addressed the Punchard student body Monday, giving a very inspiring talk about the community chest and its value to the community. Mr. Baldwin urged the students to contribute to the chest, not because they felt they must, but because they really want to help. He also stressed the importance of giving money the student has earned himself.

Following the assembly, the members of the student council took up a collection in each home room for the community chest. Punchard pupils donated a total of \$30.06; junior high gave \$30.00.

Junior-Sophomore Play

Mervin E. Stevens, director of the junior-sophomore play, "Brother Goose," has chosen a number of committees to assist in the production of this three-act comedy. It is to be presented, Friday evening, Nov. 16, in the Memorial auditorium. Curtain time is 8 p.m. The following students comprise the committees: Costume committee, Vivian Marchese, Fannie Golden, Barbara White, and Edith Belisle; props and furniture committee, Elinor Mondale, Marilyn Mozen, and Diana Nicoll; display publicity, Marie Sullivan, Maureen McKay, and Marion Glennie; newspaper publicity, Joanne Myers, Mary Lord, Margaret MacLachlan, Marion Glennie, Shirley Murray, and Joyce Mowatt; programs, Elaine Dumont, and Josephine Collins. Jane Ann MacAskill is prompter for the play.

Mrs. Ruth Trott is to be in charge of tickets; soon, members of the two classes will be given certain tickets to canvass, selling tickets.

Senior Class Dance

Friday evening, Oct. 26 is the date for the Punchard senior class dance. Come and bring your friends! George Emmons, popular disc jockey, will provide the music. Dancing time is from 8 p.m. to 11 p.m. in the Memorial gymnasium.

The senior social committee,

planning this first class dance of the year, is as follows: Betty Born, chairman; Carolyn Erler, Christine Baduvakis, Miriam Demers, Jim Murray, Alan Wilson and Dick Bramley.

First Marking Term

The first marking term closed last Friday, much to the dismay of many. This year there are to be six marking periods instead of the customary five of previous school years. The mid-year examinations, to be given Jan. 23, 24, and 25 of 1952, will thus coincide with the end of the third term, rather than coming in the middle of that term. There also will be a definite time for the ending of one-semester courses, such as salesmanship and commercial law, dictation and transcription, trigonometry, and solid geometry.

Junior Red Cross

The students elected their home-room representatives for Junior Red Cross last Wednesday, and the following were chosen: Room 1, Judy Colmer; 2, Eleanor Doucette; 3, Vivian Marchese; 4, Joyce M. Williams; 6, John Ross; 7, Carolyn Erler; 9, Barbara Williams; 10, Tony Sullivan; 12, Elinor Mondale; 14, Gail Goddard.

Notes

A film on the activities of the United Nations was shown to Kenneth McKiniry's geography and current events classes Tuesday.

Members of the combined track and cross-country teams met Monday with Coach Robert McIntyre to elect a track representative to the student council. Bob McCabe of the class of 1952 was chosen representative.

Miss Beatrice L. Stevens attended a meeting in Wakefield Wednesday of all the heads of the English departments of schools in this

Rhode Island Plans Civil Defense Test

A practical civil defense test under conditions simulating an actual enemy attack will be held in Rhode Island Sunday, Nov. 4.

It will be the first statewide test of America's ability to defend itself against atomic attack. At least 10,000 civil defense workers will take part. Mobile units from Massachusetts and other states will come to the aid of Rhode Island in this operation.

Officials from half the states in the Union have announced their intention of attending.

Fire Destroys Barn And Auto

Fire which destroyed a two-story barn and contents at the home of Atty. Ronald H. Sherman, 66 Central st., Friday night also endangered the lives of several firemen when part of the interior collapsed while they were in the building and fighting the blaze from ladders.
Fire Chief C. Edward Buchan estimated the damage to the building to be about \$25,000. Two automobiles, a 1951 station wagon and a 1947 convertible, power tools, machinery, furniture and other items stored in the barn were also lost. Aid was sent from Lawrence to assist at the fire and to cover the central station.

The interior of the structure was a roaring inferno when firemen responded to an alarm from box 41 at 10:35 p.m. Under the direction of Chief Buchan hoses were laid and directed upon the flames that were shooting out on all sides. Several explosions shook the building during the height of the blaze.
Firemen inside the building and those working from ladders and on the roof were endangered when, the flames were partly subdued, timbers supporting the roof gave way and the middle of the structure collapsed.

Chief Buchan, Deputy Chief W. Gordon Coutts, Ralph Baker, Hump Pomeroy and Charles Regan who were inside the barn reappeared after a few moments. Joseph Connor, Herbert Brown, Ralph Greenwood and George Portier, who had climbed ladders to go into the second story, soon reappeared and climbed down to safety. Others who had been working on the ladders jumped to the ground. Later grapple irons were used to pull down the front wall.

Chief Buchan and officials from the state fire marshal's office investigated to determine the cause.

Several members of the civil defense auxiliary police were on duty directing traffic in and around the area.

BIG PARADE FOR HALLOWE'EN

(Continued from Page One)

As soon as the parade reaches the Memorial auditorium the children from Indian Ridge and Ballardvale will find school busses to take them back to their own districts where special parties with entertainment and refreshments have been arranged for them.

Children of the central, St. Augustine's, Shawsheen and West Center schools will be entertained with a fine program that has been arranged through James R. Mosher and his committee. Arrangements for the auditorium will be in charge of James D. Doherty and the police department.

The entertainment will get going early so that it will be over in time for small children to leave by 9 o'clock, after which the senior and junior high pupils may enjoy dancing.

Besides special prizes of \$3, \$2 and \$1 for boys and a similar group for girls there will be another \$100 in prizes to be awarded during the evening. The prizes and refreshments will be furnished by the Andover Recreation committee and the other cooperating organizations who are sponsoring the celebration.

DEFER INCREASE IN BUS FARES

(Continued from Page One)

that are now profitable for the bus company, will become automobile riders individually or in group riding similar to that in force during gasoline rationing.

We are not sure of the correct answer. We believe that the department of public utilities should make a thorough study of the operation of the Eastern Massachusetts Street railway. This should include a study of service, expense of labor and materials, and the many other items that enter into operational costs. We believe that the auditor of the commonwealth should carefully scan the books of the railway to see whether the proper picture is presented to the public. The commissioner of corporations and taxation should be consulted to determine if any saving in taxation is possible. Experts from outside the state should be brought in if the above authorities consider it advisable.

If a complete and impartial study proves that the Eastern Massachusetts Street railway cannot be operated on the present fare basis, we believe that a general tax subsidy or elimination of the service are the only alternatives.

HALLOWE'EN COMMITTEE

The committee in charge of the community Halloween party will meet Friday night in the office of the veterans' service officer in the town hall. Besides representatives from the cooperating organizations all others interested in the celebration are invited to attend.

New Trade Board Committees Active

The newly appointed committees
of the Andover board of trade are
losing no time in getting into ac-
tion.

The merchants committee, Stan-
ley F. Swanton chairman, will meet
Friday night at Elander and Swan-
ton's to discuss and plan for fu-
ture activities.

The membership committee, Wil-
liam A. Doherty chairman, will
meet at 7:30 p.m. Monday in the li-
brary to organize a campaign to
secure new members for the or-
ganization.

All members are urged to be pre-
sent and each to bring ideas, the
chairman suggests. Plans to start
their campaign to cover the whole
town will be discussed.

The Christmas lighting commit-
tee, T. Augustine Farragher chair-
man, has been operating for several
weeks. Wires for the Christmas
lights have been strung across
Main street and around the square
in preparation for the decorations.

A big parade which will be com-
bined with a football rally and
staged by the Boosters club will
feature the lighting of the street
lights on Thanksgiving eve.

Girl Reports Kidnap
Attempt In Lowell

Two men who attempted to kidnap Miss Claire M. Flury of Geneva rd., in Lowell last Saturday night are being sought by Lowell police.

According to the police report Miss Flury stated that her automobile stalled on Andover street and that the two men came upon the scene and offered their help in getting it started. After the men succeeded in starting the auto they jumped in with Miss Flury still in the car. The men drove for about a half mile when they were observed by Officers James Donovan and Thomas I. Leavitt who were in a police cruiser. They followed the auto after noticing that it was being driven in an erratic manner.

The would-be-kidnapers jumped out of the automobile on Concord street, Lowell while it was still in motion and fled on foot in opposite directions. Officer Leavitt fired two shots in an effort to stop the pair but they disappeared.

Frank Killilea, committeemen; Francis Kelly, finance chairman; Leslie Mullin, district commissioner; L. Fraser Colpitts and Franklyn Johnson, neighborhood commissioners.

Present at the meeting were Walter Caswell, district chairman; Francis Kelly, vice-chairman; Merrill Burnett, Fred Schaberg, Leslie Mullin, Robert Hatton, Joseph McCarthy, The Rev. Levering Reynolds Jr., Arnold Schofield, Howard Johnson, Raymond Sanborne, and James Butler.

During the course of the meeting Mr. McCarthy announced a district court of honor to be held in the meeting hall of Ballardvale's troop 76. Boys eligible for advancement from troop 72, explorer post 72 and troop 76 will appear before the court. Mr. Schofield, district commissioner, will also present troop 76 with a leather plaque in honor of their being the holders of the North Essex council commissioner's flag as leading troop at the

Huge Buck Deer Seen On Elm St.

A huge buck deer with a large head and large antlers was seen on Elm street near the North Andover line last week by Mrs. Raymond G. Mowat and daughter, Joyce, who were driving home from Lawrence about 8.30 in the evening.

Mrs. Mowat said that when they first spotted the deer they thought it was a horse standing at the side of the road near Farrington's, 196 Elm st.

As soon as the headlights of the car struck him he dashed across the road in about two strides, leaped over the stone wall and disappeared across the fields in the direction of the new buildings at Merrimack college. Both Mrs. Mowat and her daughter were impressed with the size of the animal, its head and antlers.

Residents of the neighborhood said that it has been years since a deer has been seen out that way.

Meanwhile the request of the West Andover delegation, which met with the board some weeks ago, has been referred to the state traffic department. This in turn has been referred to the engineer for this district for study after which a copy of his report will be made available for the selectmen.

The selectmen granted the Lawrence Gas & Electric Co., permission to dig up Abbot street to provide gas service at number 92, for a new home recently purchased by Clifton R. Harrison.

The same company was also granted two pole locations on York street on the westerly side near Carisbrooke street to improve the electric service in that area.

Central PTA Drive Nets 1096 Members

The membership drive of the Central PTA has been most gratifying with an increase of 98 members more than last year making a total of 1067 as the result of the campaign.

The chairman, Mrs. Phillip A. Costello and her assistant, Mrs. Charles Bowman, are indebted to Headmaster Harold Howe II, of the high schools, and Miss Catherine Barrett, principal of the Central schools, their staffs, school mothers and room mothers for their cooperation in making this year a successful one.

Membership is still open to any who may not have been able to enroll during the drive.

There was a prize for the room in each school which had the highest percentage of enrollment. The following rooms won the awards; Jackson, grade 1, Mrs. Adeline Wright, 87%; junior high, room 12, Arthur Danforth, 83%; John Dove, grade 3, Mrs. Louise McQueston, 83%; Stowe, grade 4, Miss Alice Stack, 76%; Punchard, Miss Dugan, 70%.

A FEW TYPICAL ILLUSTRATIONS OF THE SPIRIT OF SERVICE EXEMPLIFIED BY TELEPHONE PEOPLE BEYOND THE CALL OF DUTY

Two telephone men on their way to a construction job saw a painter fall from the top of a ladder. They gave prompt and expert first aid to the seriously injured man, and stood by until a doctor and an ambulance arrived.

A crew of four telephone linemen, at work near the ocean, noticed two small boys clinging to an overturned rowboat, drifting helplessly in perilous seas. One of the men put out in another small boat and rescued them.

In a Massachusetts town, a telephone maintenance man chanced upon the scene of an accident. He quickly applied artificial respiration, and saved the life of a victim of asphyxiation.

In a New England city, four telephone construction men saved many lives by repeatedly entering a burning building and rescuing the trapped occupants.

A telephone maintenance man in a large industrial city saw a man rush from a building, jump into a car and speed off. Suspecting something wrong, he copied down the license number and gave it to the police. They quickly captured the man, who had attempted a holdup.

A cable splicer, on his way for a swim with his family, leaped into a pond, carrying a struggling three-year-old to safety, then brought out a second and apparently lifeless tot. His expert use of artificial respiration saved the little girl's life.

It happens every day

Telephone employees are trained to think fast, and act fast, in emergencies — to stay on the job as long as there's need — to help save lives and property. In the records of our company there are many other stirring examples of this spirit of service besides those cited here. Not all telephone people are faced with such perils and emergencies, but every one is ready always to contribute, be it heroically or humbly, to the welfare of the public and the community.
